= I REALLY WISH = I KNEW WHY PEOPLE HAVE FUNERALS

Students of human behavior tell us that ceremonies for saying goodby have existed as long as man. Ceremonies mark events in the lives of people and communities. We baptisms and bar mitzvahs welcome children and adolescents into society. Death marks the end of life. The funeral acknowledges that a life has been lived. People express their feelings about life through ceremony. Funerals also provide a socially accepted way for people to come together to support the grieving family. Many people welcome social support. If there were no funerals, how would you find a way to tell a family that you cared about their HAPPY NEW YEAR
