

BIG FOUR AT SAHARA

There's an explosion of talent nightly in the Sahara Hotel's Congo Showroom with sexy, Latin bombshell Charo, and her International Revue, and comedy impressionist Fred Travalena starring at 8 p.m. dinner shows and comedy genius George Carlin and new nightclub star Heather MacRae starring in 12 midnight cocktail shows.

Showgoers can call one number, 735-4242, and get reservations to two great, smash hit shows.

The Congo Showroom explodes with high energy when the "cuchi cuchi" girl

Charo takes the stage. She virtually sold out the Congo Room when she returned after

a year's absence in July for a two-week engagement and now, in her second big engagement of the year, she's still pack-

ing them in. Fred Travalena is the fastest-rising star on the Las Vegas showroom scene. His amazing comedy imper-

sonations -- plus the added surprise of a great singing voice -- is packaged tightly and solidly in a fast-paced show.

You can't bring health care costs down.
But we can.
So we did.

27%

We at Sunrise Hospital Medical Center are just as aware of the ever-increasing cost of health care as you are.

So we decided to do something about it -- just as we have in the past.

We've reduced the basic cost of a routine visit to our 24-hour Emergency Room by

27%

This includes reductions in emergency services and physician charges. There have been similar reductions in laboratory charges, too.

We simplified the billing procedure for you, too.

Your visit to the Sunrise Emergency Room and the services of one of our physicians -- specially trained in Emergency Medicine -- will appear on one bill.

Besides, isn't it nice to know that the highly sophisticated equipment and facilities of a complete acute care hospital are right here, along with referral to a specialist if necessary?

P.S. There's no charge for I.L.C. of course!
