

SINGING SAWS OF VEGAS

SHOWN IS MARIE DAVID (RIGHT) AND SINGING SAWS CO-OWNER, BOB LOHMAN.

Amid skyrocketing real estate prices and high mortgage costs, homeowners across the nation are finding out that re-modeling is an oasis in the midst of inflation.

Marie David of Las Vegas realized this three years ago and her wisdom paid off!

Mrs. David is very active in community services such as The Jewish War Veterans Auxillary, Temple Beth Shalom Senior Citizens Organization and the City of Hope. Her busy schedule requires a lot of entertaining. That's why she called Singing Saws Construction Co. of Las Vegas to convert her patio into a beautiful new room addition. The result of their work is a spacious 8' x 22' living room with huge used brick fireplace.

How has the room addition enhanced her lifestyle? Mrs. David comments "It has allowed me to do a lot more entertaining. It has been extremely dependable and the service was excellent."

THE DOCTORS ARE IN.

IN LAS VEGAS

We'd like you to meet The Doctors—a group of over 100 health care professionals—physicians, nurses, technicians and support personnel—bringing an entirely new concept in medical care to Las Vegas.

Currently practicing in the Spring Valley Health Center and soon to be in the new Green Valley Health Center, The Doctors are pooling their experience and capabilities to provide you with complete family health care under one roof.

COMPLETE FAMILY HEALTH CARE

The Doctors believe complete family health care is more than emergency care for minor medical problems, more than superficial interim care until you can see your own family doctor. Complete family health care is just that, complete. It means that no matter what kind of medical attention you need, you can get it from The Doctors.

THE DOCTORS OFFER:

- A complete family practice where you visit your doctor not just anyone who happens to be available.
- Full subspecialty support with specialists in Cardiology, Otolaryngology (ear, nose, throat), Oncology (cancer), Gastroenterology, Pediatrics, Podiatry, General Surgery, Ophthalmology, Psychiatry, Gynecology, Orthopedics, Neurology, Osteopathy and Dentistry.
- Complete, around-the-clock emergency care.
- Outpatient surgery in Nevada's only free standing surgical facility.
- Support Services including self-contained lab, X-ray department, physical therapy department and full pharmacy with free delivery.
- Free transportation to and from the center.
- Free blood pressure and weight tests.

The Doctors want to reestablish the personal relationship between you and your doctor, and provide the most up-to-date medical technology and care available.

For complete family health care, from The Doctors of Spring Valley Health Center and soon Green Valley Health Center.
