

ISRAEL, EGYPT SIGN ACCORDS

JERUSALEM (WNS) -- Israel and Egypt reached a series of agreements related to Israel's final withdrawal from Sinai next April 26 and the subsequent process or normalization between the two countries. But the stalled autonomy talks continued to mark time and Israel is still seeking "clarifications" from Britain, France, Italy and Holland and the terms under which they propose to contribute to the international peacekeeping force in Sinai.

Agreements covering travel arrangements, consular establishments and Egypt's purchase of installations and equipment Israel will

leave behind when it evacuates the Sinai were signed in Cairo by Israeli Defense Minister Ariel Sharon and Egyptian Foreign Minister Kamal Hassan Ali. Israeli reporters who accompanied Sharon on his three day visit to Egypt said he said he had been extraordinary successful in achieving agreements on key issues. Hassan Ali called the agreements "a great achievement and a great success."

Kol Israel radio reported that Egypt agreed to Sharon's proposal that would allow Israel to remove structures and equipment from northern Sinai after the April 26 withdrawal deadline.

WASH. (WNS) -- The Justice Department has filed a complaint in U. S. District Court in New Haven, Conn. in a move to revoke the citizenship of a former Yale University lecturer because of his alleged participation in Nazi war crimes and because he withheld his Nazi background from American authorities when he entered the U.S. in 1951 and when he obtained his citizenship in 1957.

The Department of Justice charged that Vladimir Sokolov, 68, of Milford, Conn., was a Nazi propagandist who advocated the annihilation of all Jews and called for the conquest of the United

States and imposition of Nazi rule throughout the world. According to the Department's complaint Sokolov worked for Nazi propaganda units from the end of 1941

to August 1944.

He was a writer and editor of the Russian language newspaper, "Reich," in German-occupied sections of the Soviet Union in 1942 and later wrote for the Nazi govern-

ment - sponsored Russian language newspaper, "Vola Naroda," in Berlin, the Department said.
