

HEY MOM, HOW COME GRANDPA DIED?

WHAT HAPPENS WHEN PEOPLE DIE?

Children experience death in many ways. When a pet dies, or perhaps a relative dies it's important to answer the child's questions directly and honestly, and not to say that the person went away or went to sleep. An indirect answer may cause children to become angry at the deceased for having gone away, or angry at God, or they may even be afraid of sleep. Hiding death from children is not helpful. Direct and honest answers mean saying that the person or pet has died and will no longer be part of our lives. It's helpful to tell the child that death is natural and that when we die our bodies don't feel anything. A child should be allowed to go to the funeral home, but never forced.
