

### SCARFACE CAR AT MALL

Displayed recently at the Meadows Mall, a car once owned by the notorious gangster, Al Capone, is being prepared for a tour of Southern California. Part of the Imperial Palace's Antique and Classic Auto Collection, the car is a 1931 Cadillac with a V-16 engine.

It was custom designed for Capone with such "safety features" as armour plating and bullet-proof windows. The windows had holes through which the occupants could spray their Thomson sub-

machine guns and a tube through the floor-board down which they could throw nails into the path of pursuing police or rival

gangsters.

The car is in a specially modified truck that carries it to a location, then opens up to display it. A brief history of the car and the Capone era plays while the car is viewed.

It will be on display inside the Convention Center during Hellorado Days.

Figures recently released by the Educational Research Service rank the Clark County School District (CCSD) as the nation's 22nd largest public school system, up from a previous ranking of 24th largest.

### CONGRESS WARNS UN

WASH. (WNS) -- Congress has gone on record as warning the United Nations that if the General Assembly or any UN specialized agency expelled Israel or denies Israel's right to participate in any matter, the United States will suspend its participation in the body and withhold all funds for it. The House approved the resolution containing the warning by a 401 - 3 vote. A similar resolution was adopted by the Senate April 14.

Rep. Dante Fascell (D. Fla.) warned that there is reason to believe that the General Assembly may be pressed this fall to take action on a resolution expelling Israel. He said if it did so, it "would

trigger United States withdrawal" from the General Assembly. Rep. Jack Kemp (R. NY), who with Sen. Daniel Moynihan (D. NN) said "the real threat is not to Israel, but to the integrity of United Nations. If the General Assembly should attempt illegally to expel Israel, the United Nations would be casting aside what vestiges of responsibility and honor it may retain."

The resolution adopted by the House differs from the Senate version in that it deleted a reference to action against "any other democratic state."
