

**JACKSON SAYS ARABS MAY NEGOTIATE**

WASH. (WNS) -- Sen. Henry Jackson (D. Wash.) said that the defeat the Arab world has suffered in the Iranian - Iraqi war and in Lebanon should make them more agreeable to work with the United States and Israel for "rational accords" in the Mideast.

"Thoughtful Arabs should be more susceptible to negotiations," Jackson said in an appearance on CBS-TV's "Face The Nation." He said the current situation puts the U.S. on the "threshold" of being able to work more successfully toward negotiations in the Middle East. Jackson expressed the hope that an autonomy agreement could now

be reached which would leave defense and foreign policy of the West Bank under Israeli control. He said that is "the only way that is going to work."

The Senator said that the situation in Lebanon demonstrates that there is a greater need for Israel to consult with the U.S. on what it is going to do. He said that there had been "substantial erosion" in the United States for Israel because of the invasion of Lebanon but at the same time, "frustrated Americans" look with admiration that when the Israelis "seek to do something, they get it done."

On NBC - TV's

"Meet The Press," two other Senators denied that there has been any lessening of support for Israel in Congress. "I don't

think so," Sen. Orrin Hatch (R. Utah) said. He said Congress will always support Israel. But, Sen. Alan Cranston (D. Calif.)

said that there has been a lessening of the "willingness to go along with Israel" but added that the concern is about

the government of Premier Menachem Begin and not a lessening of the "fundamental support" for the State of Israel.

**AUSTRIA HAS PLO DIPLOMAT**

VIENNA (WNS) -- Chancellor Bruno Kreisky confirmed that Abdullah Frangi, the PLO's diplomatic representative in Bonn, will become its diplomatic envoy in Austria as well.

The announcement was unexpected inasmuch as the Austrian government appeared in no hurry to receive a replacement for the former PLO representative, Chazi Hussein, who was declared persona non grata and ousted from the country last summer for his alleged involvement in an arms smuggling attempt at the Vienna airport.

Kreisky met with Frangi here and described him to reporters as a "balanced and proper man who has always been in line with (PLO leader Yasir) Arafat." The Austrians have always differentiated between Arafat's mainstream El Farah

and the other Palestinian groups within and outside the PLO.
