**KLAS TV-8 HAS TELETHON**

KLAS TV 8 will broadcast the Jerry Lewis Extra Special, the Labor Day Telethon to benefit the Muscular Dystrophy Association (MDA), announced MDA National Chairman Jerry Lewis. The program will air Sunday, September 5, at 6:00 P.M. and continue to 4:00 P.M. Monday, September 6.

"I'm delighted to welcome KLAS back to our 'Love Network'," said Lewis. "Not many people realize the crucial job that our 'Love Network' stations and hosts like Gus Giuffre do in terms of fund raising. We provide a whole season's worth of entertainment in our 2 1/2 hours on the air, but if it weren't for the tremendous efforts of stations like Channel 8, we couldn't possibly accomplish our goal of raising the funds necessary to continue the battle against neuromuscular diseases."

This year's show, the 17th annual Labor Day Telethon for MDA, will be broadcast live from Caesars Palace in Las Vegas with anchorman Ed McMahon and will be carried by some 200 local stations around the country. Each station provides its own local programming at

his talent as a singer has earned him standing ovations everywhere.

Rich Little and Lynda Carter follow for a three week engagement on August 12th.

41 different intervals throughout the telecast.

Lewis noted that the local stations also serve an educational function, showing members of their communities just how money donated is put to use locally. MDA maintains 240 clinics around the country and more than 600 individual research projects worldwide. In the Southern Nevada area, the MDA clinic is located at Southern Nevada Memorial Hospital, in the Claude I. Howard Clinic.

Last year's Telethon raised over \$31 million in pledges and garnered an audience of more than 93 million viewers, second only to the Superbowl in audience ratings.
