The March 12th Herb Kaufman testimonial dinner and dance at the Dunes is closing in on us extremely fast.

The Mens Club of Temple Beth Sholom are carrying the ball, and soon will score a touchdown on a blockbuster affair.

The response from the people of Las Vegas has been Gung-Ho all the way. All members of the Mens Club in selling tickets has been rewarded by the immediate warm response by the public at large. Our tickets are selling fast and we

are almost sold out at this writing, but better than that the comraderie of working together has made the Mens Club a determined group which look forward to a large membership in the coming year. Starting from scratch is always difficult, but when we have a good cause to work for you can't help but have a success on your hands. All the disappointments and heartache seem to disappear.

From all of this great undertaking two things seem apparent:

1. The Herb Kaufman dinner and dance will be a tremendous success.

2. Being a member of the Mens Club will be the best investment you could make in 1983.

We have great plans for the future, won't you become a part of it and join us March 12th, you'll have so much fun that I'm sure you will become a Mens Club member.

is no indication that they aspire to train the Syrians to man these weapons."

Weinberger, who firmed earlier reports that the Soviets are manning the missiles batteries, said the SAM5 are "very effective anti-aircraft

weapons." He added in response to questions on a television interview that "now there are thousands of Soviet advisors in Syria." He said the presence of the missiles makes the "Middle East situation more complex."
