## Re-Elect Our Mayor Bill Briare

IMPROVING OUR QUALITY OF LIFE ... Mayor Bill Briare and the city commissioners are constantly working on projects and programs to benefit the city of Las Vegas. Their record of city accomplishments is extensive, with improvements in police and fire protection, transportation, tourism and senior programs. Las Vegas is a city we can be proud of, and Mayor Briare is a leader we can count on. For continued progress, re-elect our Mayor Bill Briare.

### THE COLD, SOFT FACTS ABOUT ANDERSON DAIRY ICE CREAM.

The fact is, Anderson was the first dairy to make ice cream in Las Vegas. Creamy, delicious tasting ice cream made with only the choicest, most flavorful ingredients.

Like hand-selected vanilla beans imported from the island of Madagascar. Rich, aromatic Brazilian cocoa beans for the choco-

latiest chocolate. And the freshest strawberries and pecans direct from California.

This month's special flavor is Pineapple Cheesecake. It's just one of a freezer full of luscious Anderson ice cream and sherbet flavors to choose from. And that's a fact you can really sink your teeth into.

THE FRESHEST YOU CAN GET.
