

AT WOMENS HOSPITAL

WE'RE CONCERNED

At WOMENS HOSPITAL, we know that rising medical costs are putting pressure on you and your family. In order to ease this burden, we're making many cost-saving options available.

Financial counseling and substantial reductions for patients who are able to shorten their stay are just two ways we can offer you lower rates. By working closely with you and your physician, we are often able to substantially reduce your expenses.

These special savings are available in all areas of service including gynecologic, podiatric, and cosmetic surgery as well as childbirth.

We welcome you to visit WOMENS HOSPITAL. For your convenience, we're always happy to answer your questions. Call us at 735-7106.
