**GLENN SAYS PLO SHOULD JOIN TALKS**

GENEVA (WNS) -- Sen. John Glenn (D. Ohio), who has announced that he will seek his party's nomination for the Presidency in 1984, believes the Palestine Liberation Organization should join in the Middle East peace negotiations, according to an interview with the former astronaut published in the Swiss weekly, *Construire*. "No permanent solution to the conflict will be possible without the participation of the PLO," Glenn was quoted as saying. He said that while the U.S. should be responsible for Israel's security, it should not support the creation of new settlements by Israel in the occupied ter-

ritories, *Construire* news program that reported. "Israel is not trying to get territory in Lebanon, it's trying to gain security." He suggested that what was needed is a "step-by-step" withdrawal of foreign forces from Lebanon. He said Israel went into Lebanon to "clean up the Palestinians" and did a "good job of it."
