

ORT Day Luncheon — March 28

Throughout the United States, Women's American ORT (Organization for Rehabilitation through Training) is launching its annual four month Membership Drive Campaign, which begins the first of March lasting through June. The Las Vegas Chapter of Women's American ORT is planning its kick-off for the campaign with its Annual ORT Day Luncheon, which will be held in the Imperial Palace Hotel on Wednesday, March 28th, starting at 11:30 a.m. New members joining the Las Vegas Chapter between March first and the March 28th meeting will derive a three-fold benefit — they will be guests of the Chapter at the luncheon, their annual \$15 dues will apply for 16 months until July 1, 1985, and they will make many new and rewarding friendships.

Hortense Alper, Chairperson of the Day, and her hard-working committee have planned an outstanding afternoon. The committee consists of Florence Bloom, Membership Chairperson; Helen Goldberg, Lillian Hilde and Josephine Nemeroff. After a "gourmet's delight" luncheon, the assemblage will be entertained by well known Strip entertainer Giovanni, composer and virtuoso of the piano, currently appearing nightly in the Palace Court at Caesar's Palace. This will be followed with a very interesting short film. There will be beautiful door prizes, exciting raffle prizes, table favors for everyone, and, very importantly, the drawing for the \$500 raffle will take place.

Admission will be a contribution of \$10 for paid-up members and their guests. If you wish to attend this very enjoyable and exciting event, please arrange to send your check for \$10 to Josephine Nemeroff, 356 E. Desert Inn Rd., Las Vegas, 89109. For further information, please call Etta at 870-3167, Florence at 734-7689 or Josephine at 737-0633. Don't miss an exciting and fun-filled afternoon. Reservations before March 25th are a must. Anyone wishing to join our lively chapter may do so by calling Membership Chairperson Florence Bloom at 734-7689.

Valley . . . just what the patient (and doctor) ordered!

If patients designed and staffed hospitals, they'd probably all be a lot like Valley — the hospital of excellence.

At Valley Hospital there's a warm and caring staff of nurses, more than 400 outstanding physicians and surgeons, and a staff of highly skilled technicians — all using the finest, most modern scientific equipment available.

Patient rooms are spacious and comfortable. Why, even the chefs get compliments. As a bonus, Valley is close to home for most Las Vegas. Doesn't Valley sound like the hospital you'd design?

Valley — the hospital of excellence.
