

## Anderson Dairy Supports Easter Seal's Children

Anderson Dairy wants you to help them help Easter Seal's children.

During the month of March, Anderson Dairy will be featuring Easter Seals on its milk cartons so when they're empty you can use them to collect money for the Nevada Easter Seal Society.

You should bring all your cartons full of money to the Las Vegas Easter Seal Telethon on Sunday, April 1, between 10 and 1, at the Holiday Inn Hotel & Holiday Casino. Tell your friends to watch you on the Telethon on KVBC TV 3.

More than 97 percent of the money donated to Easter Seals stays here to help Nevadans. Last year more than 3,300 Nevadans received direct services from the Nevada Easter Seal Society, including speech, physical, and occupational therapy.

Lt. Don Simon, with the Crime Prevention Bureau, offered some tips for youths while collecting money for Easter Seals.

1. Do not go inside the house. Wait outside the door.
  2. Never go out collecting alone or at night. Use the "Buddy System."
  3. Tell someone what area you will be in and always give a second choice area.
  4. Always walk on sidewalk or driveways; don't walk on grass or lawn.
  5. When sidewalk isn't available, walk on the left shoulder of the street, road or highway facing oncoming traffic.
  6. Always cross the street at a designated crosswalk when provided.
  7. If you must cross a street that doesn't have a designated crosswalk, you must yield the right of way to oncoming traffic.
  8. Don't loiter in street gutter between parked cars.
  9. Don't sit on the street curb with your feet sticking out into the street.
  10. Don't accept candy or gifts from strangers.
  11. Ignore remarks from strangers; don't answer back, keep moving.
  12. Don't accept a ride with a stranger.
  13. If asked directions, stay away from the car door. Give directions loudly and move away.
  14. Report any bad behavior to your leader, parent or police.
  15. Write down license numbers of any suspicious cars.

## Holland Moves Its Only Office From Jerusalem To Tel Aviv

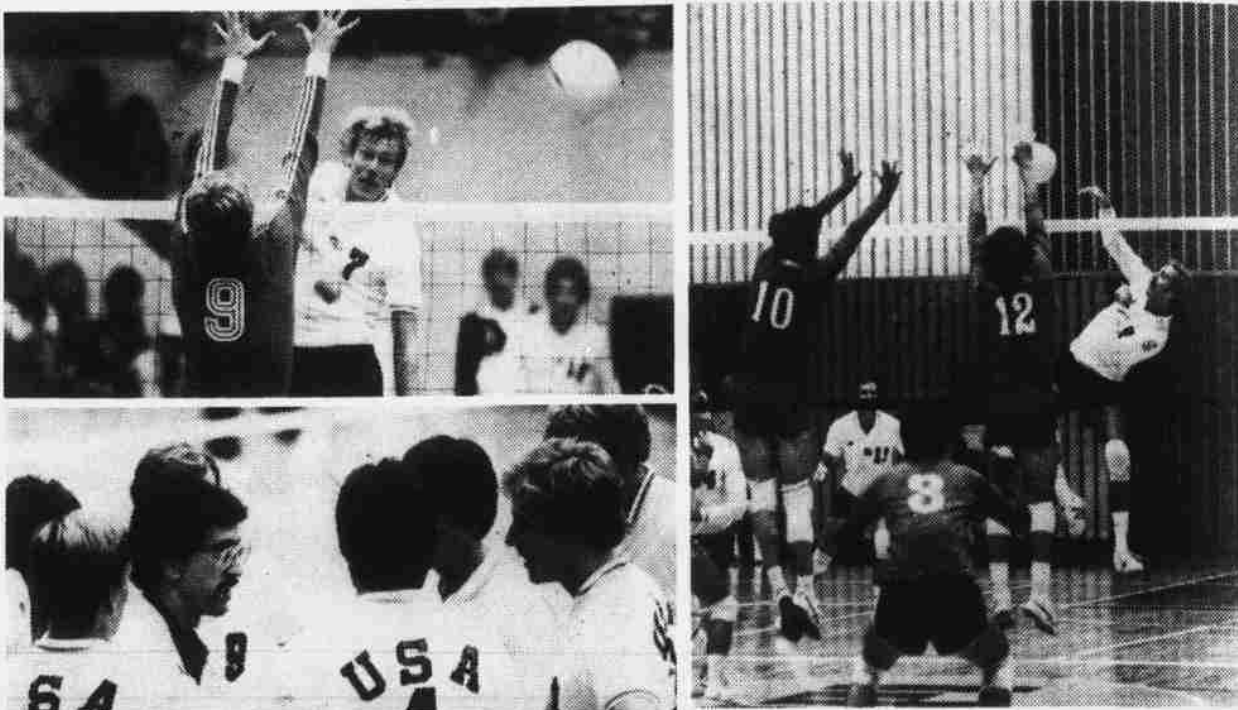

AMSTERDAM (WNS) — The Netherlands Government has decided to shut down its only office in Jerusalem and transfer its functions to the Dutch Embassy in Tel Aviv. The move was said to be for reasons of economy.

The office processes the applications of Dutch Jewish emigres in Israel for special pensions under a 1972 law authorizing monthly payments to victims of Nazi persecution in Holland. So far about 2,000 Jewish im-

migrants have qualified. The office will be attached to the Consular Section of the Embassy in Tel Aviv. It now occupies a building on Bal-

Dutch Ambassador. Holland was the only European country to have its Embassy in Jerusalem. It was shifted to Tel Aviv in 1980 as a gesture of protest against Israel's formal annexation of East Jerusalem.
