Helene and Marilyn with their husbands are arriving over the weekend to celebrate "Mothers Day" with their mother Mrs. Sylvia Frankel. How nice!

Sincere condolences to Doris Pinard of Temple Beth Sholom on the loss of her husband David W. Pinard.

Retired Las Vegas electrical contractor Julius David Galatz died recently as a result of a heart attack. He was 72.

A Las Vegas resident for 26 years, Galatz was the father of several prominent Southern Nevadans.

In failing health the past two years because of heart problems, Galatz was admitted to Sunrise Hospital after suffering a heart attack.

He is survived by his widow, Dorothy; two attorney sons, Neil of Las Vegas and Hank of Chicago; another son, Malcolm, a Las Vegas artist; and a daughter, Karen, a former Las Vegas television newswoman who now is Gov. Richard Bryan's press secretary. He also has two surviving brothers, Samuel and Louis, both of California.

The family has asked that in lieu of flowers contributions be made to the Eye Bank.

Born March 12, 1912, in Brooklyn, N.Y., Galatz was involved in specialized electrical installations for the military overseas during World War II.

He worked on military bases in Newfoundland and the Panama Canal, among others. He was aboard a transport that was torpedoed by a German submarine off Bermuda.

He visited Las Vegas for the first time in 1946, saw its potential and wanted to move here. But it wasn't until 1958 that he came here from New York and established his own electrical contracting business.

A member of the Temple Beth Sholom here, he earlier was one of the founders of the Jewish temple in Westbury, N.Y.

Galatz retired a number of years ago and devoted his entire time to his home and family.

Sincere condolences to the entire Galatz family.

Pet Health Plans of Nevada, a veterinary service to provide better health care for animals, has recently been formed in Las Vegas.

A group of local veterinarians have formed together to provide better, more thorough, and more economical service to the Las Vegas area.

There has long been a need for quality veterinary service: hundreds of animals are put to sleep each year in the Clark County area because the cost of caring for them has been too high. Pet Health Plans of Nevada has a goal to elevate the quality of veterinary service. By paying one low yearly fee, the owners of animals can cut down their costs of caring for their animals tremendously. Shots and yearly vaccinations are included, and the overall cost of caring for your pet is reduced 30 to 70%.
