National Council of Jewish Women - NCJW or Council for short established in 1893 making it the oldest Jewish women's volunteer organization in the U.S. with more than 100,000 members and some 200 Sections across the country, now.

Las Vegas Section started with an organizational meeting April 16, 1980.

Priorities of the National Council of Jewish Women include education, advocacy and community service which form NCJW's combined approach to its areas of concern. NCJW develops and implements programs which affect the lives of people of all ages, races and religious backgrounds. Although these priorities enable NCJW and its Sections to operate in many areas, a particular emphasis has been placed on these priorities: Aging, Children and Youth, Israel, Jewish Life and Women's Issues.

The Las Vegas Section has two ongoing community service projects. Call 3, a consumer advocate referral hotline, working in conjunction with KVBC, Channel 3 and Junior League.

Swedish-born Bob Arno, world renown comedy/pickpocket, was a hit at the recent Ultimate Showgirl Awards at the Tropicana Hotel. Arno won praise from members of the press as well as VIP dignitaries alike.

Arno, who has been a resident of Las Vegas for the past year and a half, recently returned from performing aboard the maiden voyage of the Noordam, a ship from Holland, which sailed from France to Tampa, Florida. It is the world's newest luxury liner and at least at this time, no other ship anywhere can top it as can be attested to by celebrities, Dom DeLuise and Dr. Christian Barnhard who were both aboard.

The cruise gave Arno and DeLuise time to discuss an upcoming TV Comedy Special which is currently under negotiations with the Tropicana to be taped there in the fall.
