### Funeral Rites Held For Vandalized Religious Articles

JERUSALEM (WNS) — Jewish residents of Hebron and Kiryat Arba in the West Bank held funeral services recently in Tishja V'Av for religious articles found vandalized in the Hebron flea market. Tisha B'Av is the annual day of mourning for the destruction of the First and Second Temples in ancient Israel. Thousands of pages from prayerbooks, the Jewish scriptures and other Jewish holy books were found by Jews causing an uproar among Jews residing in the heavily Arab section. Police said there was no clear evidence about the source of the books or the defamers of the holy writings.

### Israeli Soldier Killed In Eastern Lebanon

TEL AVIV (WNS) — An Israeli soldier was killed and two others wounded on the eastern sector of the Lebanon Front. His death brought the number of soldiers killed since the Lebanon war started in June, 1982 to 589. The incident occurred when the armored personnel carrier in which they were travelling hit a mine two kilometers north of Yamik in the Bekaa Valley, where thick shrubbery on the slopes of Mount Baruka conceal attackers. There have been 20 attacks on the Israel Defense Force in Lebanon in the month of August.

# LETTERS

Dear Michael:  
 On May 2, 1945, American soldiers occupying Ludwigslust broke into an unexpected group of barracks and found, among piles of corpses, huddles of emaciated prisoners, some of whom survived.  
 One of these survivors, Tibor Hirsch, a professional filmmaker, is planning a documentary film to commemorate the fortieth anniversary of the liberation of that Nazi concentration camp, Wobbelin, near Ludwigslust. As part of his research, he seeks to speak with other survivors of that camp, whom he has not seen since the day of liberation or never knew.  
 They may respond to Mr. Hirsch or to me, at THT Productions, 152 East 74th Street, New York, N.Y. 10021; 212-772-1444.  
 We appreciate your assistance in publishing this search to the Jewish community.  
 Sincerely,  
 Richard Brody
