

**Travel To Amsterdam  
And Israel This Fall  
With The Wilners**

Leo A. Wilner, recently retired Executive Director of Temple Beth Sholom, will host a group trip to Amsterdam and Israel this fall.

Leo was the dynamic force behind the scenes in the dramatic growth of Temple Beth Sholom from August 1, 1966 until his retirement last month. The Temple Board of Directors has granted Leo the honorary title of Executive Director Emeritus, and both he and his wife Mickey have been declared Honorary members of the Temple for life.

The Wilner's 14 day trip will spend 4 days in

Amsterdam visiting the Old Jewish Quarter, the Tower Of Tears, Rembrandt's House, the Royal Palace and the home of Anne Frank. Amsterdam known as the Venice of the north is crisscrossed by canals and the trip will include a journey through the waterways.

After bidding Amsterdam a fond farewell the group will proceed to Israel, the land of milk and honey. The group will spend 10 days exploring this dynamic country from Beer Sheeva in the South to the Galilee in the North. Comprehensive sightseeing will be included in all parts of the country. The group has been granted special permission to visit the Knesset in session, a feature not usually included in tours.

Deluxe hotels in all areas, plus a 2 night stay at the 4 star Kibbutz Ayelet Hashacar will provide the participants with comfortable accommodations throughout.

**Israeli Planes Hit Terrorist Base**

TEL AVIV (WNS) — Israeli jets bombed a terrorist base in Lebanon's Bekaa valley an army spokesman said. The planes blasted a base in the village of Bar Elias which was operated by terrorist forces of Abu Musa, a rival of PLO leader Yasir Arafat. The base had been used as a local headquarters and point of departure for terrorist attacks on Israel. The army said all Israeli planes returned safely to their base. The raid was the first in six weeks.

The Wilners are looking forward to the trip with great anticipation. They have extended the invitation to the community to participate with them on this journey.

**BOMB DISMANTLED IN  
JERUSALEM**

JERUSALEM (WNS) — A major disaster was averted in downtown Jerusalem when police sappers neutralized a 12-kilogram bomb hidden in the trunk of a car. Painted on the bottom of one side of the car were the words "Fatah" and "Sabra and Shatila" and a verse from the Koran stating "Never forget God."

The car was discovered in time by an unidentified woman who called the police and reported that a white Opel Kadett, parked in a street near the major Hamashbir department store, "looked suspicious."
