

Tutoring In Your Home

Your home is where you relax, and ultimately the place where you feel the most comfortable. Home Tutoring Unlimited is a professional instruction service that has adopted the theory that one's own home is the best atmosphere in which to learn.

Home Tutoring Unlimited employs a staff of highly qualified instructors that will travel to your home and provide one-on-one tutoring session, scheduled at the time and day of your choice. The hassles that once have been known to accompany personal instruction in the past have been removed, and you are now free to reap the benefits of learning any subject you like, at your convenience. No longer is the student responsible for rearranging his or her schedule to accommodate someone else.

The numerous subjects available include gourmet cooking, foreign languages, home computer programming, voice, all musical instruments, as well as the basic academic topics, such as english, reading, and arithmetic. Additional subjects are continually added upon request by students.

Home Tutoring Unlimited provides instruction at the nominal rate of \$12 to \$14 per hour lessons for most topics, and can be arranged to fit any budget.

Home Tutoring Unlimited Officers, Russell Pike and Thomas Bodenstener are convinced that home instruction provides an excellent opportunity for individuals to master those hard-to-grasp

school subjects like math and reading that often require additional studies outside the traditional classroom setting.

Home Tutoring Unlimited's office hours are Monday through Friday, 9 a.m. to 6 p.m., although classes can be scheduled seven days a week, during any hour of the day or evening. For more information, and a complete listing of subjects offered, call 796-0160.

TEL AVIV (WNS) — A recently published public opinion poll shows that 31.1 percent of the population favors a national unity government headed by the Labor Alignment, 26.1 percent would like to see such a unity government headed by Likud, and 16.3 percent would like a national unity government headed by Labor and Likud in rotation. The poll was published in the newspaper, Maariv.

TEL AVIV (WNS) — Thieves broke into Weizmann House, the home of Israel's first President Chaim Weizmann, on the grounds of the Weizmann Institute in Rehovot. The house is now a monument and museum. Several art objects were stolen from the main reception area, including an ancient ceramic figure of a horse, valued at about \$200,000.

Boy, Father Bar Mitzvah Twinned With Refusenik And His Son

CLEVELAND (WNS) — The Bar Mitzvah of a son and his father marked a "first" for Congregation Beth

Aynu, a conservative congregation in Beechwood, Ohio, according to the Cleveland Jewish News.

But the double rite for Rory Rubin, and his father, Richard Rubin, had another unusual meaning for the Shaker Heights family. They were also "twinned" in a proxy Bar Mitzvah with Karmi and Lev Elbert of Kiev, a proxy ceremony to dramatize the contrast between the freedom in which the Rubins can fulfill their Judaism and the oppression under which Karmi Elbert and his father are denied that opportunity.

Lev Elbert, a Prisoner of Conscience, is in a prison in the Soviet Union, separated from his family. A letter from Rory Rubin, in English and in Russian, was mailed to Karmi, who lives with his mother in Kiev. It was mailed from Moscow by a tourist.

Rabbi Milton Rube, spiritual leader of Congregation Beth Aynu, officiated at the "quad" Bar Mitzvah rites.
