

**Statement By Kenneth J. Bialkin, Chairman
Conference of Presidents
Of Major American
Jewish Organizations**

We congratulate the people of Israel on the formation of a national coalition government which will give Israel increased strength and resources to serve the Jewish people. The difficult negotiations which produced a government of national unity are testimony to the dedication of Israel's political leaders to the welfare of all its people.

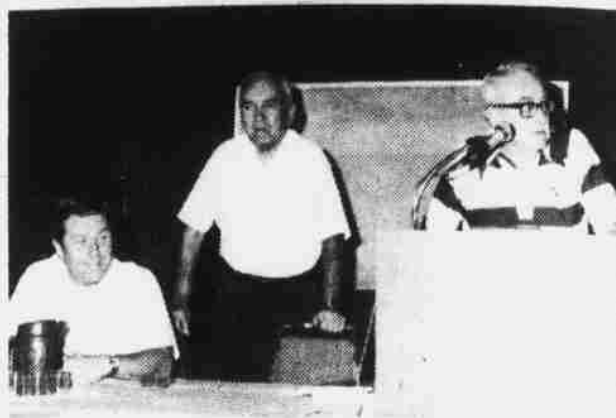

We anticipate a strong government whose policies will reflect the broadest consensus on

major issues and which will present a unified force in addressing the difficult problems which lie ahead.

We look forward to working with Prime Minister Peres, Foreign Minister Shamir and all the other government ministers and extend to them our sincere congratulations.

Amateur Softball Association teams are being invited to participate in the North Las Vegas Fairshow softball tournament, October 26-28, according to Ellen Frehner, executive director of sponsoring North Las Vegas Chamber of Commerce.
