

Fifth Annual World Jewish Song Festival Slated For Israel - Summer Of 85

World Jewish Song Festival organizer Peter Smolash announced that plans are being finalized for this year's Festival, which will be staged in Israel for the first time.

The fifth annual World Jewish Song Festival will take place in Israel in the summer of 1985. Plans then include touring the show to the country of origin of the writers of the winning songs.

The World Jewish Song Festival was founded in Montreal, Canada, by the Samuel Jacobson Foundation for Jewish Culture in 1980. The founder of the Festival, the late Samuel Jacobson, envisioned establishing a global link between all the Jewish communities around the world. The Festival serves as a forum for remembering the past and raising morale and hopes for the future through song.

Jacobson was both a dreamer and a practical

man. He left us with a mission, as well as the means to realize it; this will become his legacy. Although he is greatly missed, his memory is kept alive by this Festival.

Contestants wishing to submit songs to the Festival must do so by the deadline: midnight, March 31, 1985. For application forms and information, write to the World Jewish Song Festival, c/o Peter Smolash, 5025 Plamondon Avenue, Montreal, Quebec, Canada H3W 1E9. Telephone: (514) 342-9627.

Join The Nate Mack B'nai B'rith Lodge

Nate Mack Las Vegas Lodge #2825 B'nai B'rith held its semi-annual indoctrination of new members at the Sahara Hotel, recently. Scott Canton, President, stressed strongly that we must reach our goal of 60 new members for the current year. He urged that all members reach out and bring into the Lodge a Brother, cousin, friend and each and every Jewish man in Las Vegas.

On January 26th, 1985, Nate Mack Las Vegas Lodge #2825 B'nai B'rith will sponsor a Theatre, Dinner night at the UNION PLAZA HOTEL. Please phone Hy Bergman 870-9611 for reservations. Other dinner theater nights held in the past at the UNION PLAZA were filled and we suggest that you phone Hy now for information and reservations.

This is a special plea to every Jew in the Las Vegas area. B'nai B'rith has for more than 140 years been in the foreground protecting the rights and privileges of all Jews in all countries. In order for B'nai B'rith to operate from strength it is imperative that all adult male Jews join B'nai B'rith. It is not necessary for our Jewish men to join Nate Mack Lodge and function in the various committees and offices although that would be terrific. But it is absolutely essential that all of the adult Jewish men in the Las Vegas area join the Lodge to show the world that we Jews are as one and not divided in our allegiance and obligation to the Jewish faith. Most of the dollars collected by B'nai B'rith go to help our brothers in other lands. We who are fortunate in living in a country that is free by all standards and not involved in any armed conflict must show a unified front. Please, if you are not a member of the B'nai B'rith in Las Vegas telephone our Vice President in charge of Membership, David Cohen, at 458-3428 and say to him "I am a Jew and proud to become a member of B'nai B'rith Las Vegas Lodge #2825 and want to join." Dues are only \$60.00 per year and you will receive a million dollars of satisfaction in your joining.

VIENNA (WNS) — The first comprehensive sociological study ever done in Austria since the end of World War II on anti-Semitism revealed anti-Semitic bias among 85 percent of the population -- strong among 25 percent, weak-to-medium among 60 percent. The study by Dr. Hilde Weiss of the University of Vienna is based on two surveys, one taken in Vienna in 1979 and the other in all the Austrian provinces in 1980.
