# The Stars Come Out Again In The Desert Inn's Crystal Room

Marilyn McCoo

Neil Sedaka

SEDAKA & MCCOO - The Desert Inn's Crystal Room celebrates its reopening with the talented Neil Sedaka and Marilyn McCoo Thursday, December 27. Sedaka, whose career has spanned three decades, continues to delight audiences of all ages while the lovely Marilyn McCoo of Fifth Dimension and "Solid Gold" fame is the perfect complement. The two will be at the D.I. through January 20. For reservations, call 733-4566.

Burton M. Cohen, President of the Desert Inn Country Club & Spa has announced that the stars that made Las Vegas showroom entertainment a legend in the West are once again shining as the "DI" welcomes back to the Crystal Room top name talent for 1985.

After Edgar Bergen and Charlie McCarthy opened the Desert Inn's Crystal Room in 1950,

followed by the debuts of the most sought-after Hollywood entertainers, such as Jimmy Durante, Jack Benny and Patti Page, the DI's commitment to theatrical excellence became a tradition during the past three decades.

From hit Broadway shows to the original stage productions of "Dream Street" and "One Of A Kind," the Desert Inn continues to show its versatility and leadership in the field of entertainment. Its unique and exciting stage productions also have earned the Las Vegas showroom a reputation for creativity unequalled in the business.

The Crystal Room's two-act "Star Policy" will kick off December 27 with Neil Sedaka and Marilyn McCoo. Their performance, scheduled to run through January 20, will be followed by Tony Orlando and a special guest comedian from January 22 through February 10. February 12 through March 3 will spotlight Jerry Lewis and Shirley Jones, and March 5 through March 31 will star Sammy Davis, Jr. and a special guest comedian. April 2 through April 21 will feature Robert Goulet and "Fame's" Debbie Allen as they take to the stage and continue the tradition. Tony Orlando will return April 23 through May 12 with a special guest comedian.
