"Shalom ve Shalvav" Peace and Tranquility ... Being Jewish is not just a religion but a way of life. It is the traditional part of our heritage that makes being Jewish very special. Our roots can be traced back some 5000 years. It is the Torah that has taught us our traditions, our values, our path in life. It is this same Torah that we and our children and children the world over have looked at in awe as they recite their Haftorah.

We must always preserve our heritage, our values and our Torah for our generations to come. It is through the Torah Fund/Residence Campaign that we train our Rabbis, our teachers and our future leaders.

Therefore, we of Sisterhood, dedicate our January meeting to our Torah Fund Campaign. Please join us for lunch on Wednesday, January 16, 1985 at 11:15 a.m. in the Social Hall of Temple Beth Sholom. Our program will feature a beautiful film, entitled "The Work of Your Hands," plus a guest speaker. Babysitting is available upon request, so please call the Temple office, 384-5070.
