Health Plan Of Nevada Signs Contract With Valley Hospital

Health Plan of Nevada, a federally qualified health maintenance organization (HMO) with 30,000 members in Las Vegas, signed a contract with Valley Hospital which allows the Plan's members to be treated at that facility. Health Plan of Nevada already has a contract with Southern Nevada Memorial Hospital.

"We are very pleased with this new contractual agreement with Valley Hospital," said David B. Willis, President of Health Plan of Nevada. The addition of a second hospital will assure the availability of hospital beds to our growing membership in two high quality medical facilities. It provides our patients with a choice," he added. Health Plan of Nevada patients can also be treated at St. Rose de Lima Hospital in Henderson.

Health Plan of Nevada has been serving the Las Vegas community since October, 1982. It is the only federally qualified HMO in Nevada, with offices in Las Vegas and Reno. An HMO is a complete health care organization that combines both the delivery and the financing of comprehensive health services. Unlike conventional health care insurers, HMOs provide actual health care services rather than merely reimbursing members for services provided by others. These medical services are provided for a fixed prepaid fee as opposed to the traditional fee-for-service method of paying for medical care.

Reagan Urges Disclosure Of Fate Of Wallenberg

WASHINGTON (WNS) — President Reagan urged the Soviet Union to make known the whereabouts of Raoul Wallenberg, the Swedish diplomat who helped save some 100,000 Jews from the Nazis in Hungary during World War II.

The State Department, which along with the White House released the President's statement, noted that this was the 40th anniversary of Wallenberg's disappearance.

He was captured by the Red Army in Budapest on January 17, 1945, and although reports have come out of the Soviet Union that he has been seen alive in prison camps, the only Soviet statement so far was in 1957 claiming that he had died in a Soviet prison 10 years earlier. If he is alive, he would be 72 years old.

"In the depth of the horror of World War II, Raoul Wallenberg was one shining light of inspiration, upholding the honor of the human race," Reagan said. "The world owes a tremendous and eternal debt of gratitude to this great man. And the Soviet Union owes the world a full and complete accounting of his fate."

The 40th anniversary of Wallenberg's disappearance was marked by special ceremonies Jan. 17 in Los Angeles and New York. The anniversary was also marked throughout the Western world by 25 Raoul Wallenberg committees. In the U.S., churchbells all over the country rang 40 times at noon. In Melbourne, Australia, a statue of Wallenberg was unveiled in his memory.

Wallenberg, then in his early 30s, was sent by neutral Sweden to its legation in Budapest in 1944 with a mission to save Jewish lives. He set up safe houses for Jews and even pulled them from cattle cars bound for the death camps, claiming they were Swedish citizens. He was last seen in the company of a Red Army officer being driven to Soviet headquarters in the town of Debrecen. Why he was arrested remains as much a mystery today as his subsequent fate.
