

### ADL Praises Kennedy And Mrazek

NEW YORK, N.Y. — The Anti-Defamation League of B'nai B'rith praised Senator Edward M. Kennedy (D. MA) and Congressman Robert J. Mrazek (D-NY) for their call to "leave no stone unturned" in the effort to bring Nazi war criminal Josef Mengele to justice.

Speaking on behalf of the League, Nathan Perlmutter, ADL's national director, said:

"We support the Kennedy-Mrazek call for providing the Department of Justice with necessary funds to cover the expenses of the effort it is coordinating with other federal agencies to find and prosecute Mengele. As Senator Kennedy and Congressman Mrazek said, 'the monstrous crimes committed by Josef Mengele are an affront to civilization... 40 years after the closing of the camps at Auschwitz, it is time to close this shameful chapter of history.'"
