Coffees And Pastries Of The World Offers International Fare At The Las Vegas Hilton

COFFEES & PASTRIES OF THE WORLD -- The Las Vegas Hilton recently unveiled Coffees And Pastries Of The World featuring an appealing variety of coffees and pastries from seven countries around the world including Austria, France, Russia, Ireland, Italy, Switzerland and Holland.

A large silver eagle perched atop a globe of the world stands at the entrance as the aroma of international coffee blends fill the air enticing passers-by to step in for a taste of something new and unusual.

As the visitor walks in, he is greeted by a lovely attendant clad in a decorative costume typical of one of seven different countries around the world.

Seated at an ebony inlaid oak table draped with melon-colored Damask linen, the guest is served a fragrant blend of European coffee from a beautiful silver urn.

The cup of Cafe' Au Lait or Geneva Coffee, or whatever it may be, is then complimented with a light pastry served from a refrigerated glass case only a few steps away. The experience has begun.

This experience; the newest creation by Paul Houdayer, vice president of food and beverage operations, is the Las Vegas Hilton's Coffees And Pastries Of The World.

Coffees And Pastries Of The World offers an appealing variety of international coffees and pastries from seven countries around the globe including Austria, France, Russia, Ireland, Italy, Switzerland and Holland.

Houdayer says that he wanted to create a late-night spot that would be the ideal complement to the Las Vegas Hilton's already-existing 12 international restaurants and this was the result.

"I felt a more elegant surrounding would complement the other restaurants," he says. "Many people at night after dinner don't want to go to a noisy lounge, they would like someplace where they can sit and chat."

Houdayer has created an atmosphere of European elegance that resembles the type of coffee houses found in Vienna.

From the finely crafted etched glass flower vases to the festive Luxembourg China, Coffees and Pastries Of The World carries out the theme of continental taste and style with tremendous authenticity.

Open from 9:00 p.m. to 3:00 a.m., Tuesday through Saturday, Coffees And Pastries Of The World is conveniently located in Mamchen's Deli, just a short walk from the casino.

Houdayer says that he expects Hilton's newest international creation to be a big favorite with visitors and locals alike because of the wide variety of delicious coffees and pastries available.

Many of the favorite coffees include Viennese Coffee, Cafe' Express, Russian Coffee, Cafe Borghia and Dutch Koffee. Complementing these rich blends are such pastries as Sacher-torte, St. Honore', MacIntosh Apple Tart and Aebleskage.

"With the hustle and bustle of business life, nobody has the time for conversation," says Houdayer. "It's nice to have a spot where you can sit and visit."

Coffees And Pastries Of The World is just such a place.
