There is no need to mention the position that Israel finds itself these days. It is between a hard rock and an unfeeling, uncaring world. We, in the United States, have a particular need to assist her in every way possible. Fortunately we live in a country where, although anti-Semitism exists, it is controlled to a very great extent by our Constitution and the people who uphold it.

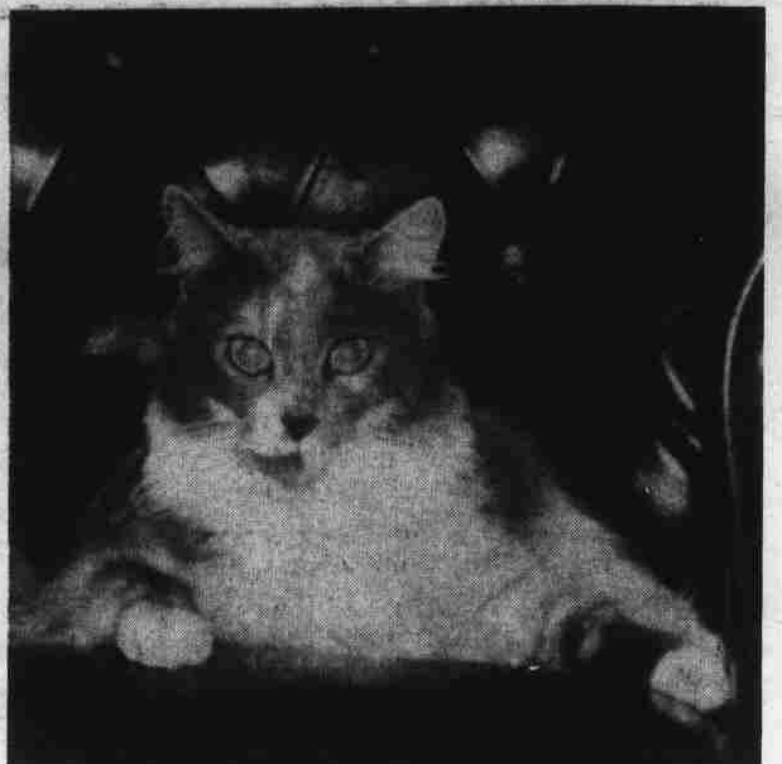

B'nai B'rith is recognized as the only organization that for more than 140 years has done everything possible, and even more, to insure the creation of Israel and the right for it to exist as a free nation of the world.

We Jews in Las Vegas have an obligation, a duty, a necessity to assist in every possible way our wonderful country of Israel. The easiest way to do that is to become a member of B'nai B'rith Nate Mack Lodge #2825 of Las Vegas. As a brother you alone will decide how much effort you will want to put into assisting Israel through Lodge functions.

The dues of \$60.00 per year are indeed a small amount to pay and help insure Israel's existence. A good portion of the dues money goes to teach our youths (Jewish youths) through BBYO, Hillel and other Jewish Youth Organizations the fundamental tenets of our religion and to help them understand what being a Jew means.

The balance of the money remains here in Las Vegas to assist the other worthwhile organizations such as Jewish Family Services, Heart Fund, United Way, etc...Additional monies needed by Nate Mack Lodge are obtained by various enjoyable fund raising events.

We cannot do any of the above without obtaining a constant flow of new members. It should to every Jew in Las Vegas mean a great deal to have a strong and hard working lodge here to help the Jewish community and to assist Israel. Every Jew must soul search and think about the effects of what could happen if his B'nai B'rith Lodge were to fail and become non-existent because of a "Leave It To Beaver" attitude.
