Universal Dance Studio will have their "graduation" Medallion Ball at the Imperial Palace Hotel Saturday, September 14th. Medallion Ball is a graduation of testing of different levels of ballroom dancing. At the ball, there will be dinner, cocktails, general dancing to the "live" sounds of Sidra Kane and a show that presents the various levels of dance. Additionally, there will be student/teacher solos and a professional show. The ball is open to the public to see what fun ballroom dancing can be. Dinner and show tickets are \$30 and show only tickets are \$15. Pictured here are Suzanne Johnson and Kevin Ikola, two of the instructors who will be performing some international latin routines. **Hebron Under Curfew After West Bank Settler Is Stabbed**

JERUSALEM (WNS) — A curfew imposed on the Hebron marketplace continued as security forces continued to search for the assailants involved in the stabbing of a Jewish settler from nearby Kiryat Arba. Yaacov Reiter, 45, an American immigrant, was attacked by two men as he walked through the market-

place. He was stabbed several times in the back, chest and shoulder. Reiter was rushed to the Shaare Zedek Hospital in Jerusalem where his condition was described as stable, according to latest reports here. Leaders of the Jewish community of Hebron met on August 11 with Likud ministers

and demanded that the Jewish presence in Tel Likud should use the Rumeida, a hill latest in a series of overlooking central Hebron. The settlers argued that ever since the national unity government was formed, there has been no progress in expanding the Jewish settlement.
