Congratulations and a hearty Mazel tov to Mordechai Yerushalmi of THE JEWELERS and to his lovely wife, Vicki, on the birth of their new baby daughter, Natalie Oreet. Natalie weighed in at 6 lbs. 15 oz.

Babe and Carl Lieb are welcoming their friends after a cool summer on the waters. They sailed the ocean blue. It started in New Orleans at the Gulf of Mexico, then on to the Caribbean to cross the Panama Canal. The freighter trip lasted 58 days and took in all the ports of South America on the Pacific side. Panama is still dealing with American dollars but Costa Rica, Colombia, Ecuador, Peru and Chile are dealing in soles and colones. The poverty was there but you would never know it on the good ship Marjorie Lykes. There the biggest decision of the day was what to choose from four hot entrees for lunch and dinner and everything for breakfast. They brought home cotton and coffee from Colombia but the immigration dogs were still sniffing for cocaine as they left the ship in Houston. No matter the warmth of senors and senoras, it is good to return to the lush plush Las Vegas that is here for all. Another year. Bless us all.

Naming a new baby is often the most difficult decision new parents face.
The vital records office at the Clark County

Health District reports these names were most popular during 1984.

Michael, the most popular boy's name in Clark County for 25 years, was replaced in 1984 by Christopher. Christopher nudged Michael out as favorite by two babies, 155 to 153. Close behind were Matthew (112), Jason (94) and Joshua (93).

Jennifer continued a 15-year record as popular choice for 129 girls during 1984. Ashley was runner-up in popularity (104) followed by Jessica (97), Amanda (67) and Crystal (63). If you're concerned about your Christopher meeting three others in kindergarten, don't worry. In Clark County, 4,545 boys were born last year. Girls numbered 4,140.
