"Ships that Pass in the Night." Philadelphia teen agers meet again after more than 50 years. Edith Harrison did not know Sylvia's married name. Sylvia did not know Edith was here and looking for her for the past 8 years in Las Vegas. Just like ships in the night they may have passed each other numerous times. Edith saw Sylvia's picture in our own newspaper many times but not knowing if she was her friend. Because she

did not know. Sylvia's brother met Edith's sister in Temple on the High Holiday and learned her name was Acker. They met and were remembering their youth. It was and is great. They have started a Philadelphia Club and are hoping maybe many more people will find someone.

The "Philadelphia" Club will have a block party at the Tropicana & Pecos' Plaza, October 13. Steak sandwiches, tasty cake pretzels and all the goodies from Philadelphia. We expect some of the Philadelphia entertainers will be there. You, too, may find someone.
