# Membership Luncheon—

(L-R) Merle Effron, Sharon Smith, Tybie Flapan & Sally Grafstein

The occasion of this luncheon was to honor the opening of Laoti (Los Angeles ORT Technical Institute). Thalia Dondero, Chairman of the Board of our Las Vegas County Commission, cut the blue ribbon around a small replica of our new Laoti. Laoti serves Los Angeles, the second largest Jewish community in the United States. It reaches out to people who need opportunities to explore many new careers in a rapidly changing technological society.
