

Hadassah-Hebrew University Celebrates Hanukka

Jerusalem...Two small patients are fascinated by the flicker of candles being lit by nurses in the Pediatric Ward at the Hadassah-Hebrew University Medical Center, commemorating the celebration of Hanukka, the festival of light, hope and miracles.

Two Israeli Women Wounded On Egyptian Hijacked Plane

TEL AVIV (WNS) — The families of two Israeli young women injured in the Egypt airplane hijacking flew to Malta via Rome to be with their daughters now in a Valetta hospital. They were accompanied by Prof. Mordechai Shalit, a surgeon at the Hadassah Hospital in Jerusalem.

Nitzon Mendelson, 23, a member of Kibbutz Hulata in Galilee, was in critical condi-

tion in an intensive care unit, after having been shot in the head.

Tamar Artzi, 24, of the Negev Kibbutz of Revivim, suffered stomach wounds. Her condition was said to be stable.

The two women were on their way to a tour of the Far East. They left Israel for Athens, on the first leg of a year off from their Kibbutz homes, and had planned to fly from Cairo to Bangkok. They had met after Artzi placed an ad-

vertisement in a local paper looking for a travelling companion.

The Foreign Ministry in Jerusalem has set up a special liaison with the Maltese and other authorities to help the families of the two injured women. An official of the Israel Embassy in Rome has also gone to Malta to represent Israeli interests there.
