## National Campaign Started

NEW YORK (WNS) — Two Jewish activists are starting a nationwide campaign to have PLO offices removed from the United States.

Peter Goldman, director of Americans for a Safe Israel, and Rabbi Avraham Weiss, coordinator of Americans Against Terrorism, said they were gathering one million signatures on a petition to be presented to President Reagan, demanding that the PLO be ousted from the U.S.

Weiss said that the campaign will include mass demonstrations and planned arrests outside the PLO offices in New York, similar to the planned arrests outside the Soviet Embassy in Washington by rabbis and others protesting the treatment of Jews in the USSR.

The PLO office in New York serves the PLO delegation to the United Nations where it has observer status. According to Weiss, there is a PLO office in Washington, D.C. There is a Palestine Information Center in Washington which Weiss claims is a PLO office.
