... When Your Phone Line Becomes a Lifeline

Super Sunday is a very special day. All over the nation on this day, people will make thousands of telephone calls in an attempt to reach every household in the American Jewish community.

On Super Sunday, you will receive a call from one of your neighbors asking you to help Jews in need at home, in Israel and around the world.

When your telephone rings, answer the call. Your support is essential to the quality of Jewish life in the years ahead.

Everyone is invited to attend the Jewish Federation's community-wide phonathon/convention in the Riviera Hotel's east-wing convention area. On Super Sunday, February 2, from 10:00 a.m. until 8:00 p.m., meet with representatives of local Jewish organizations and learn more about their vital role in our community.
