

## Andalusian Health Minister Visits Hadassah Hebrew University Medical Center On Day Spain And Israel Renew Ties

Andalusia's Minister of Health Dr. Pablo Recio Arias brings his department to the Hadassah-Hebrew University Medical Center on the day Israel and Spain agreed to reestablish diplomatic ties. Conferring with him at the CT Scanner is Dr. Emerick Lachs of Hadassah's Radiology Department.

JERUSALEM — It may have been Fate. Just at the moment Spain and Israel were signing an historic agreement in the Hague reestablishing diplomatic ties between the two countries the Minister of Health of Spain's Andalusia region

was heading a delegation visiting the Hadassah-Hebrew University Medical Center here.

Dr. Palo Recio Arias had brought a team to Hadassah because of the Medical Center's reputation in Nuclear Medicine and Radiology. "Medicine is one of the main areas in which Spain would like to have a close cooperation with Israel," he said. "Today's visit is just the beginning of what we hope will lead to many exchanges of ideas in the field of medicine."

Dr. Arias and his team were greeted by Dr. Zvi Stern, Deputy Director-General of the Hadassah Medical Organization who outlined Hadassah's phenomenal contribution to medicine in the Mid-East, starting with the arrival of two nurses in 1912. "Today the Medical Center treats over 450,000 patients a year," he proudly noted. "Hadassah is a magnet attracting patients from all over the region, including Arab countries officially at war with Israel," Dr. Stern told the Minister. "We are very proud that physicians from all over the world come here to do their post-graduate study and research."

Visibly impressed at the close of his visit, the Minister said: "I knew about Hadassah's reputation in medicine before I came. This visit has confirmed my belief that this great medical center has played an important role in the Middle East -- and will play an even greater one when peace comes to this region, as we all hope it will."

ROME (WMS) — Members of Parliament representing virtually all political factions have signed a petition to plant a forest in Israel in memory of Leon Klinghoffer "and all victims of international terrorism."

## Six Injured In Bus Bomb Explosion

TEL AVIV (WNS) — Six people were injured when a bomb exploded in a bus as it was passing through B'nai Brak on its way from Petah Tikva to Tel Aviv, recently.

Police said that two of the passengers suffered slight injuries, three were treated for shock, while a sixth was taken away by a private car and his condition was not known.

Police closed the street in which the incident took place and questioned passers-by and the bus passengers to try and trace the terrorist responsible.

The blast followed three bombs placed in three towns in Israel a day earlier, which exploded without causing any casualties.
