New York City Shoes offers discount women's footwear, with all shoes prices at \$11.90. Leather boots are available at a slightly higher price. A second Las Vegas store has opened on Maryland Parkway.

"This free standing building fronting Charleston Boulevard was a perfect location for their retail operation," explains Linda Hunt, Realty Holdings Group commercial leasing

associate responsible for negotiating the lease at the popular shopping center. "It offers high visibility, with convenient access and plenty of parking."

Store manager Bob Evely notes Las Vegas women have responded very well to the merchandise, and there has been a complete turnover of stock half a dozen times. ## Top Of Landmark Every Wednesday - Ladies Night

David Marino-Vegas International Sound - announced another innovation to the non-stop action and music in the Love Song Lounge high above Las Vegas on the 31st floor of the Landmark Hotel. Every Wednesday is Ladies Night at the top of the town.

The Love Song Lounge opens at 7 p.m. and the music and dancing

get heated up at 9. Every woman's drinks are one special price for the entire evening - each and every Wednesday - with dancing and fun until 2 a.m., and the libation flowing until 3.

Vegas International Sound provides a wide variety of music for both dancing and listening pleasure. Whether swaying to a beautiful ballad or stepping to the hottest new tune, all present can enjoy the music, the company and the spectacular view of Las Vegas, as the Landmark provides the only 360° view of the entire city from the hot spot on the 31st floor.

Dave and his crew have been entertaining in the Love Song Lounge for almost 2-1/2 years. The company has been in the center of Vegas action for over 8 years and the tremendous following which

David enjoys ensures that only the early-comers will get great seats on Fridays and Saturdays as the Love Song Lounge rocks to capacity crowds on weekends.

From the favorable opinions expressed by the regulars it looks as though the "in spot" on

Wednesday nights will certainly be the Landmark, and Dave Marino's Vegas International Sound will be providing the heartbeat of Rock and Roll for those who come to life late at night in Las Vegas - the 24 hour city.

## New Israeli Elections

JERUSALEM (WNS) — Israel will go to new elections this year, Minister Ezer Weizman said in a TV interview. He said he had told this to Egyptian President Hosni Mubarak in his recent visit to Cairo.

Weizman said he expected elections to take place this summer, but certainly not later than October. He said it was important that Shimon Peres remain Premier. The Taba debate last month showed that the National Unity government exhausted its political options, he said.
