The Sisterhood of Congregation Ner Tamid is proud that Dr. Stephen Kollins, who specializes in diagnostic radiology and computed tomography, will speak at our Temple on May 15, 1986 (Thursday) at 7:30 P.M. We would love all our members and their friends and spouses to attend this very important talk. There will be a dessert bar at the conclusion of this meeting. Dr. Kollins will discuss and show slides and show how to examine our breasts for lumps and cancer. Please contact Sophie at 362-6588 or Lil 734-6659. They are co-chairing this event and would appreciate your donation of dessert. Donation for this event and talk is \$3.00. This is probably the best donation that you can make this year for the congregation and yourself. Please come and support our functions and most of all please support our Sisterhood.

On Thursday, May 1, 1986 at 10:00 A.M. there will be a monthly board meeting for the Sisterhood Board Members of Congregation Ner Tamid. It is extremely important that our Board Members do attend and attend on time so that the business at hand may be attended to. Please send regrets to the Temple Office. 733-6292.
