

Reno Rabbi Establishes United Jewish Congress

Rabbi Dr. C. Joseph Teichman is the religious leader of Temple Emanu-El in Reno, Nevada. Rabbi Teichman has recently established the United Jewish Congress, an organization dedicated to mobilizing and synthesizing Jewish and Christian efforts to oppose bigotry and intolerance and to foster understanding between these two great faiths of the western world.

Rabbi Teichman, a religious leader ordained by an orthodox rabbinical seminary and affiliated with the Conservative Movements Rabbinical Assembly, has been in communication with Dan Rather, distinguished correspondent of C.B.S. News, about the farm crisis, and the anti-Semitic literature distributed by such groups as the "Klan" and the Aryan Nations. This literature has been making such libelous and spurious claims as the involvement of Jewish bankers with the conglomerates that are foreclosing on land being held by many of the bankrupt farmers. The Rabbi is intending to tour parts of the farm belt, Minnesota, Iowa, Kansas, etc. As their

methodical genocidal extermination of the Islamic people of Afghanistan, the Rabbi has been lobbying for these causes on Capitol Hill with Republicans and Democrats. He has spoken and encouraged such men as Sen. Chic Hecht, R., NV, Sen. Jesse Helms, R., N.C., Sen. Arlen Specter, R., PA, Sen. Tom Lentos, D., NV, Congressman Harry Reid, D., NV to attach moral strings to the trade agreements that are being considered with the Soviet Union demanding that Russia live up to some standard of human rights before we engage in trade that is vital to the Soviet Union. Mr. Gorbachev's promises to the citizenry of U.S.S.R. for greater accessibility to raw goods and consumer items, puts them in a position of receptivity to such demands by nations of the western hemisphere for human rights. Dr. Teichman warned that the unwillingness of certain industrial leaders to make such demands will confirm a prophecy made by Lenin, that...."capitalists would sell the very rope that would ultimately hang them." Rabbi

Teichman is in the process of signing up his first thousand charter members. An imposing large framed certificate, and a signed lithograph by a well known artist will be presented to the first thousand charter members making a contribution of \$500 or more.
