PARIS (WNS) — Alain Pierret, a 55-year-old career diplomat, has been appointed France's Ambassador to Israel, succeeding Jacques DuPont, the Foreign Ministry announced last week. He had previously served as Ambassador to Niger and since January, 1983, was a senior official in the Foreign Ministry's administrative services.

NEW YORK (WNS) — U.S. Attorney General Edwin Meese recently planted a tree in the American Independence Park, established by the Jewish National Fund outside Jerusalem on the occasion of the American Bicentennial. The park contains memorials to great Americans and was created as a testimonial to the friendship and vision shared between the United States and Israel.

NEW YORK, N.Y. — The Anti-Defamation League of B'nai B'rith sent the following cable to Dutch Foreign Minister Hans Van Den Broek at The Hague protesting his meeting with Yasir Arafat:

"The Anti-Defamation League of B'nai B'rith expresses its dismay and indignation over the meeting you held with Yasir Arafat in your capacity as chairman of the European Economic Community.

"Efforts to stop terrorism are doomed to failure when terrorists are treated with respect instead of the contempt and isolation they deserve."

The telegram was signed by Abraham H. Foxman, ADL's associate national director and head of its International Affairs Division.

NEW YORK (WNS) — A library of Holocaust Law -- the first of its kind -- is being established by the Anti-Defamation League of B'nai B'rith to house legal and other documents relating to the pursuit of justice against Nazi war criminals. It will include documents having to do with the European war crime trials, American deportation actions, war crimes investigations, Canadian Holocaust-denial trials and SS archival papers previously available only in Austria and Germany.
