### Witnesses Urgently Sought Among Maidanek Death Camp Survivors

The U.S. Department of Justice has requested the assistance of the World Jewish Congress in locating witnesses to Nazi crimes committed between 1942 and 1944 at the Maidanek death camp in Lublin, Poland.

The Department's Office of Special Investigations (OSI) is in the process of gathering evidence in connection with its investigations of suspected Nazi war criminals residing in the United States.

OSI is especially interested in contacting survivors who were sent to work as slave laborers outside the camp, particularly those who were forced to dig peat under the supervision of perimeter guards.

Survivors, or those who might be of assistance in locating survivors from these camps, may communicate in any language they choose and are asked to contact: Ms. Bessy Pupko, World Jewish Congress, One Park Avenue, New York, New York 10016, (212) 679-0600.

The 18,000 square foot facility is already 70 percent occupied with additional lease negotiations underway. "The competitive rates, superior amenities and convenient location makes Pioneer Professional Plaza extremely attractive to professionals and businesses considering re-locating," stated Bruce Gonyea, President of Pioneer Mortgage.

The building boasts a Spanish motif and features ample parking facilities and a unique atrium area.

Construction of an additional 10,000 square feet of space will begin when negotiations for a primary tenant have been finalized. "The demand for space within Pioneer Professional Plaza has made it necessary for the construction of additional space," stated Gonyea.

### Best Kosher Hot Dog Plus Special Sauces Equals Great Grilling

Chicago-based Best Kosher Sausage Company introduces a super-sized, quarter-pound kosher dinner frank that's great on the barbecue because its large size means juices stay sealed in during grilling.
