July 'Employee Of The
Month' At The
Imperial Palace Hotel & Casino**

When Rose Eurdekian was told she had been chosen as the July "Employee of the Month" and asked how she felt, beaming she exclaimed, "Marvelous, excited, grateful for the opportunity to be 'Employee of the Month.' I'm very proud to be associated with a property as successful as the Imperial Palace." With that bright outlook,

it's no wonder that Rose was nominated for this spot of distinction. Rose is the secretary to Stephanic Nielson, director of advertising, publicity and entertainment.

Ms. Nielson says, "Rose Eurdekian is one of the most efficient, friendly and conscientious employees I have ever had the pleasure of working with. She was nominated for 'Employee of the Month' because she is always friendly to

**"Islands" Fun Continues
Poolside At Tropicana**

LAS VEGAS — The Thursday evening luaus poolside at the Tropicana Resort and Casino are proving to be very popular with both hotel guests and local Las Vegans who are making it a weekly habit.

The fun takes place between 7-10 pm with the serving of Islands delicacies, buffet style, a Polynesian show and winds up with the musical group Hot Lava providing music for dancing.

In keeping with this festive spirit, the remaining nights of the week will offer a "happy hour" (actually 4-8 pm) with entertainment, snacks and dancing.

**International Folkdance
Festival Held In Haifa**

TEL AVIV (WNS) — The Israeli dancers include a number of ethnic groups representing Hasidic, Yemenite, Circassian and other dances.

Some 3,000 dancers stepped out lively at the opening of the Sixth International Folkdance Festival in Haifa, at which Prime Minister Shimon Peres said he hoped the day would come when people would abandon the strategy of war for the strategy of football and the dance.

our guests and goes out of her way to be helpful to everyone she comes in contact with. She is truly an asset to our department and to the hotel and casino."

Ms. Eurdekian celebrated her one-year anniversary at the Imperial Palace April 1st this year. She is originally from Fraser, Michigan, a suburb of Detroit. She graduated high school at the young age of 16 because of outstanding scholastic achievements. She went on to work in the accounting department at Michigan Bell Telephone and later was the executive secretary to the vice president of American Sun Roof in Michigan. Rose then pursued a career in real estate and sold it successfully for seven years until her husband got a transfer to Las Vegas three years ago. Her husband, Appo, is the food & beverage control supervisor at another Las Vegas property. She has one daughter, 27.

Rose's philosophy is definitely a contributing factor to her receiving this honor. "I believe that people should always set both long and short-term goals for themselves. When you're green you grow; when you're ripe, you rot."

When asked why she thought she had been nominated as "Employee of the Month," Rose answered, I have no idea why except I have a wonderful boss. It's just such a pleasure to come into work everyday because of the nice people I work with particularly my boss to whom I owe everything."

She will receive a color portrait, a \$75.00 U.S. Savings Bond, and will be the guest of the Imperial Palace for a dinner for two in the Kobe Steak House.
