Katherine Theodore Seeks  
Senate District 3**

Katherine Theodore, Ph. D., D.C., a Las Vegas chiropractor, has filed to run for state Senate District 3 as a Republican.

She said one of her main concerns is health-care-cost alternatives, "without compromising health delivery quality."

She said she feels the entire insurance industry must be investigated.

"There is no one answer to the insurance-litigation quagmire," she said.

Another issue she said she will focus on is the

**Three Of World's Top Jewish  
Leaders To Confer At  
B'nai B'rith International  
Convention August 24 - 29  
In Las Vegas**

Three influential international Jewish leaders will confer on major issues affecting Israel and the rest of the world's Jewish community during B'nai B'rith International's convention in Las Vegas, Aug. 24-29.

The three are Gerald Kraft, president of B'nai B'rith, Edgar Bronfman, president of the World Jewish Congress; and Arye Dulzin, chairman of both the Jewish Agency and the World Zionist Organization.

influx of illegal aliens into the state. She said she would look to the Las Vegas Hispanic community for solutions to the problem that will affect the area in the future.

Theodore is a former special educator, working as a speech pathologist and audiologist in the California school system.

"Our most precious commodity is our children," she said. "The high illiteracy and the terrible toll that all drugs and teen pregnancy are taking are eroding the state and the entire nation," she said. "There is no more sticking our heads in the sand. We must face this crucial problem. It affects us all."

She is also concerned about problems senior citizens face as well as crime rates.

Theodore has two sons. She earned her master's and doctorate degrees in speech pathology-audiology and she has a doctor of chiropractic degree. She has hosted a talk show on a local radio station, KNUU.

Also, she is a Volunteer for Suicide Prevention, Nathan Adelson Hospice, Channel 10 and KNPR Radio.

B'nai B'rith is the world's oldest and largest Jewish service organization while both the Jewish Congress and the Zionist Organization are large umbrella bodies. B'nai B'rith stresses the combating of anti-Semitism at the United Nations, while the World Jewish Congress recently exposed the Nazi background of former UN Secretary General and current Austrian President, Kurt Waldheim. In effect, all three organizations seek to intensify the ties between Israelis and Jews elsewhere in the world. B'nai B'rith and the WJC also aim at unifying the world's Jewish population, encouraging the further development of the Judaic religion and culture fighting racial bigotry, and guaranteeing human rights for everyone.

Over the past year, both Kraft and Bronfman have met with political leaders of numerous nations, including the United States, the Soviet Union, South Africa, West Germany, and Argentina. In every instance they discussed human rights, anti-Semitism, anti-racism, and Middle Eastern peace.

Dulzin, on the other hand, concentrates on the welfare of Jews -- especially immigrants -- in Israel. As head of the Jewish Agency, he directed the program of absorption of Ethiopian and Soviet Jews.

All three leaders will address the B'nai B'rith convention. Kraft will give the State of the Order, Bronfman will discuss Society Jewry and Dulzin will speak about the future of Zionism.

Some 1,800 delegates and their spouses, representing 43 nations, are expected to attend the convention.

NEW YORK (WNS) — Prisoner of Conscience Roald (Alik) Zelichonok, 50, who received a three-year labor camp sentence for allegedly "defaming the Soviet state and social system," has been hospitalized in the Alma Ata prison, according to Jerry Goodman, executive director of the National Conference on Soviet Jewry.
