ROME (WNS) — European Jewish groups plan protest "pilgrimages" to the former Nazi death camp at Auschwitz, unless a Carmelite convent is moved from the site, according to Tullia Zevi, president of the Union of Italian Jewish Communities, in an interview with the NCNS. Mrs. Zevi said that unless the issue is resolved soon, former Jewish inmates of Auschwitz and relatives of camp survivors are planning pilgrimages to the death camp this fall to "protest the convent and affirm the unique nature of the place." The events are being organized by groups in France and Belgium, she said, as reported by the NCNS.

SAO PAULO (WNS) — Brazilian Jewry has reacted with shock and indignation to a crudely anti-Zionist statement issued by the PLO and the Methodist University of Piracicaba, the WJCongress reported here. The statement asserts that the university and the PLO are "engaged in the democratic, anti-imperialist and anti-Zionist struggle." The Confederacao Israelita do Brasil has reacted sharply and its denunciation has been published in the daily press.

GENEVA (WNS) — The Lavi, Israel's second-generation jet fighter plane, is one of six highly sophisticated combat aircraft under consideration for purchase by the Swiss Air Force. The Swiss Defense Ministry announced that preliminary studies have been completed and the final decision will be based on tests of the competing aircraft. The Lavi, designed and built by Israel Aircraft Industries and powered by American Pratt & Whitney engines, is due for its first test flights in Israel this month.

NEW YORK, N.Y. — The Anti-Defamation League of B'nai B'rith hailed as "a useful victory" today's Federal Communications Commission approval of a settlement which removes the controversial Dodge City, Kansas, radio station KTTL-FM (recently renamed KMCS-FM) from the airwaves and transfers its license to a local citizens group. Mr. Perlmutter noted that ADL's 1984 protest to the FCC about KTTL-FM was in response to complaints from Dodge City residents about the anti-Jewish and anti-Black hate messages broadcast on the station by members of the Posse Comitatus, an extremist group. The League subsequently engaged in legal action supporting a challenge to the license renewal application of the owners of KTTL-FM, Nellie and Charles Babbs. ADL's petition to intervene as a party to the proceedings instituted to review the station's renewal application was approved in 1985.

VIENNA (WNS) — Veteran Nazi-hunter Simon Wiesenthal in a letter to the Vatican asked that Jewish victims of the Holocaust be commemorated at a church erected on the site of a former concentration camp near Lubin, Poland. The church built during the past two years by Capuchin Franciscans in the village of Sabibar, had no inscription memorial to the Jews who were tortured and died there, the letter stated and "stands on the blood-soaked earth of the extermination camp" where 250,000 Jews were killed.
