

Israeli Children Exchange Art With Americans "Twins"

Jerusalem...Dr. Joyce Warshawsky (right), a pediatrician at the University of Minnesota Hospital and Clinic in Minneapolis, and Edna Pinchover, a kindergarten teacher in the Pediatrics Department of the Hadassah-Hebrew Medical Center at Ein Karem, display art work by young Israeli patients created as part of an exchange program with youngsters in Minneapolis. The pediatrics departments of the two hospitals have been "twinned" as part of a joint celebration of the 75th Anniversary of both the Minneapolis institution and Hadassah, the Women's Zionist Organization of America. Dr. Warshawsky is Hadassah's Upper Midwest Region Travel Chairman.

Police Arrest Counterfeit U.S. \$ Ring In Tel Aviv

TEL AVIV (WNS) — Police raided a small printing plant here and confiscated \$4.5 million in counterfeit U.S. Dollars. A 37-year-old Ashdod resident, alleged leader of the counterfeit ring, was arrested with two confederates at the plant. Police said they were caught red-handed. Two other suspects were arrested in their homes.

The arrests capped a five-month investigation and stake-out. Police said they watched ring members cart hundred Dollar bills from the press to a rented car. They said a search of the premises yielded good quality paper sufficient for printing between 200 and 300 million phoney dollars, apparently for distribution in the U.S.
