

Canadian Woman Hits \$25,000 Jackpot On Dollar Slots At Imperial Palace Hotel & Casino

Imperial Palace Casino Shift Manager Wendell Olk is pictured congratulating Adele M. Halford of Oro Station, Ontario, Canada, upon lining up four 7's on the dollar slot machines. For her \$6.00 investment, Mrs. Halford was able to take home \$25,000!

Adele M. Halford of Oro Station, Ontario, Canada, got the last laugh when her friends, who only play the table games, watched her win \$25,000 by getting four 7's on the dollar slots at the Imperial Palace Hotel & Casino.

Adele and her husband, Norman, come to Las Vegas two or three times a year. On the recommendation of clients from their jointly-owned tax service in Canada, they stayed at the Imperial Palace for the first time this trip.

After hitting the jackpot on her second set of three dollars (a \$6.00 investment), Mrs. Halford says, "What can I say... it's terrific. I feel very much at home at the Imperial Palace. We are on a four-day vacation and we will be back at the Imperial Palace at Christmas time and everytime in the future." When asked what plans she had for the money, the reply was fast, "Put it in the bank."

The Canadian couple feels fortunate. They say that after the U.S. government took their share for taxes, they will make up most of the loss because of the U.S./Canadian difference in currency exchange.

Old Vegas Available For Sale

Old Vegas Properties, an amusement park complex with speciality shops and a restaurant located at 2440 Boulder Highway in Henderson has recently ceased operations and is available for sale.

Coldwell Banker Commercial Real Estate Service has been named exclusive listing agents for the property by Old West Corporation, owners of the park. Keith Spencer, Gerhard Hoentsch and Steve Gunter of Coldwell Banker are responsible for all negotiations on the property.

"The 125 acre parcel with existing structures has tremendous potential for a hotel, casino or truck stop," stated Spencer. "The general commercial zoning plus the location at the site where the new freeway will connect in a few years makes the property extremely attractive for this type of operation."

The complex includes a restaurant and casino building, theatre, train depot, a round house
