In accepting the new office, President Schnitzer assured the membership that the Temple is a viable and living entity. Within the past six months we have seen a burgeoning of our membership rolls and a concerted effort made to revitalize all arms of the Temple toward one successful target...the emergence of a congregation united and strong.

Many activities are planned during the month of December at Congregation Ner Tamid. Newly elected President Ken Schnitzer will chair the first meeting of the new Board of Trustees on December 2nd.

Several services during the month of December will be led by Leo A. Wilner. On December 12th, there will be a Sisterhood Sabbath with an Oneg Shabbat sponsored by Mary Fox. The Religious School students will lead services on December 19th, with an ice cream social to follow. David Glovinsky, son of Dr. and Mrs. Mary Glovinsky, will be leading services as he celebrates becoming a Bar Mitzvah on December 26th.

Each Friday morning the Jewish Federation Shalom Wagon Pre-School Play Group meets at the Temple under the direction of JoAnn Brandes. An adult Hebrew class with an optional Bar/Bat ceremony at its completion has just begun. For more information on any of these ac-

tivities, please call Rita Moses, 733-6292.

Congregation Ner Tamid will act as host for the Community Lecture Series Foundation of Las Vegas. This will be the 5th year of the series. Las Vegas will continue to experience leading Jewish personalities, just as other communities throughout the U.S. and Canada have for years. The final arrangements are being solidified and the dates will be announced thereafter.

Once again it is time to let you know about our Annual Channukah Bazaar. This year it will be held on December 7, 1986 (Sunday) from 11:00 A.M. to 5:00 P.M. We are so excited about this upcoming event. So much effort and enjoyment

Arthur Cohen, Noted Jewish Author, Dead At 58

NEW YORK (WNS) — The noted Jewish author and publisher Arthur Cohen died of cancer in New York at age 58. Cohen authored numerous works on the history of Jewish thought, including "Martin Buber," "The Tremendum: A Theological Interpretation of the Holocaust," and "Herbert Bayer: The Complete Work."

Cohen also wrote five novels, including "An Admirable Woman," based on the life and work of his close friend Hanna Arendt which won him the National Jewish Book Award. Other novels include "A Hero in His Time," and "In the Days of Simon Stern."

During his last years, Cohen completed two books expected to be published within the year: "Artists and Enemies: Three Novellas," and "A Handbook of Jewish Religious Thought," edited with another noted scholar of Jewish thought, Paul Mendes-Flohr.

After completing his graduate studies in comparative religion and philosophy, Cohen attended the Jewish Theological Seminary of America for three years to study medieval Jewish philosophy. It was during those years that Cohen founded the Noonday Press with friend Cecil Hemley. He went on to become Editor-in-chief of Holt, Rinehart and Winston.

Cohen worked as a visiting lecturer at Brown University and at the Jewish Institute of Religion. He also chaired the Board of the YIVO Institute for Jewish Research. He contributed many articles to Journals and magazines over the years.

For the children: We have many games set up for the children that won't be very expensive and we are very fortunate that our Sisterhood member Julie Ross has agreed to head our Children's Event Committee.

There will be many booths of variety that may tickle your fancy and enable you to buy that special gift for that special someone.

For booth information, please contact Maxine Gratz 438-7512. We have a full staff of kitchen helpers to make sure that our specialties for the Channukah Season are prepared just the way you want. The desserts are also available for those who dare.

So please come and enjoy with us this special season. Keep Sunday, December 7th marked on your calendar and share our joy and our heart.

Thank you!

Dental Health More than just a pretty smile.

We appreciate the attention and publicity given by your organization to National Dental Hygiene Week, October 5-11, 1986. Teaching and educating the public about preventive dentistry and good dental hygiene is usually carried out on a one to one basis. However, with your help messages reached many more people and increased their ability to improve their health. Again, thank you very much for your support.

Look for news of Children's Dental Health Fair, February 7, 1987, to be held at the Sears Court in Meadows Mall.

Sincerely,

Diana Salaiques, R.D.H.
