

### Gifts From Around The World Available For Chanukah At Crystal Magic

The name Partout should be familiar to a lot of people and shoppers in the Las Vegas area. Partout (no longer open) was famous for outstanding crystal and porcelain and all kinds of imported gifts and other delights. The name Charlotte Bittman should also be remembered, because she was the manager of that store and largely responsible for the initial success of Partout.

Now, Charlotte has opened her own fine establishment, along with husband, Sam, called Crystal Magic, behind Major Video, in the Sahara West Shopping Center, at the corner of Sahara and Valley View.

Crystal Magic offers some of the finest imported and domestic crystals such as Saint Louis,

Beyer, Val San Lambert, Avitra, and Gorham. They also have French Limoges, hand-painted porcelain from Japan and German Dresden, plus some of the world's most exotic fragrances, hand-painted dolls and all kinds of vases and lamps.

The cost for items at Crystal Magic range from readily affordable to as exclusive as one desires.

One of the special features of Crystal Magic is their unique gift selection assistance. If someone needs a gift but doesn't have the time or inclination, all they have to do is call Charlotte at 362-9330 (same number that was Partout). She will select the appropriate gift, gift wrap it and deliver it. Also, shoppers can make an after-hours appointment and shop in seclusion if they so desire.

Crystal Magic has been offering a special discount for this, their first, holiday season. Everything in the store - 50% off!

With a sale like this and the exceptional quality merchandise, people in the Las Vegas area are most excited about Charlotte Bittman's new venture.

Crystal Magic will ship anywhere in the world and they offer services and selection found only in the finest establishments.

As Charlotte likes to put it: "Sometimes in nooks and corners you find the greatest bargains." Crystal Magic is on the corner behind Major Video, 3441 West Sahara, in the Sahara West Shopping Center, corner of Sahara and Valley View, where the world's most unique crystals and porcelain await you.
