

Wiesel To Waldheim: Resign

JERUSALEM (JTA) — must resign." Nobel Peace Prize winner Elie Wiesel said here that if Austrian President Kurt Waldheim "has any conscience left he

stain on Austria and all of mankind," he said. "I don't know why this man doesn't resign. If he has any conscience left he must resign."

Wiesel added, "The Presidency is, in the first place, a moral position, and a man with a Nazi past like Waldheim cannot hold an office like that." Waldheim, who served two terms as United Nations Secretary General, was elected to the Presidency of Austria last June 8 by a landslide vote, despite evidence implicating him in atrocities when he served as a Wehrmacht intelligence officer in the Balkans during World War II.
