## SUPER SUNDAY '87 AND COMMUNITY CONVENTION JANUARY 11, RIVIERA HOTEL

On Super Sunday you will receive a call from one of your neighbors asking you to help Jews in need at home, in Israel and around the world. For those troubled people this is the most important call of the year.

For some it can mean the difference between having only cold meals or having a hot meal once a day; for others, it means their children will have a Jewish education; for some, it will provide medical support, therapy and rehabilitation; for others - safety, security and care in their waning years.

When the telephone rings - *answer the call*. Make your pledge.

Better still - come down to our Jewish Federation Super Sunday Phonothon/Convention at the Riviera Hotel and make your pledge in person. You'll be glad you did.

Our Phonothon/Convention is open to the entire community. Come down and meet your friends and neighbors. Many of them will be there with us all day. You can also meet representative of all our local Jewish organizations and learn about their important roles in our community.

Join us in the East Wing of the Riviera Hotel Convention area. We'll be there from 10:00 a.m. to 8:00 p.m. Everyone's helping. Come and share the excitement with us.
