Now beginning its fifth year, the Women's Council has grown rapidly from a Charter group of 40 women to a present roll of approximately 450 members. Among many of the accomplishments of the Women's Council are the annual Women of Achievement Awards honoring twelve outstanding women throughout Southern Nevada and the Job Re-entry program for all women of our community. When asked her thoughts on her new position as President of the Women's Council, Carla Leveritt said, "I'm

"Reinvestment Sunday" For Israel Bonds Sunday, March 1, At Temple Beth Sholom

In one of the most dramatic and phenomenal responses at a time of crisis for Israel and its people, one million Jewish families flocked to synagogues and Bond offices at the height of the Yom Kippur War in 1973 and purchased record amounts of Israel Bonds.

These maturing bonds, whose proceeds helped rebuild Israel's postwar economy, come due this year and in 1988. They give friends of Israel a welcome opportunity to reaffirm their ties with Israel and its future by reinvesting in the nation's economic development.

1972-73 Bond purchasers are being encouraged to continue their partnership with Israel by the offer of more than a full year's early interest if they add to the value of a matured Israel Bond and reinvest in a new Bond.

Those friends of Israel who upgrade their investment to a \$1,000 Bond attain honorary membership in "Guardians of Jerusalem" (Shomer Yerushalayim) in honor of this year's commemoration of the 20th anniversary of the unification of Jerusalem.

We welcome this special campaign to help Israel move forward toward economic independence which is being conducted with the cooperation of Las Vegas synagogues.

Reinvestment Sunday on March 1, at Temple Beth Sholom from 10 a.m. to 2 p.m. will hopefully become another historic milestone in this community's continuing response to Israel's economic needs.

looking forward to working with the Board of Directors to achieve one of our primary objectives which is state-wide networking. We will be continuing programs now in place and we hope to begin several new projects over the course of 1987. It will prove to be an exciting year for the Women's Council membership." Other responsibilities of the Women's Council Board of Directors are the Educational Seminars, Monthly luncheon programs, and the annual cost of living survey.

The Board and membership of the Women's Council welcome anyone interested in joining the network of Southern Nevada Businesswomen by calling the Chamber of Commerce office at 457-4664 and requesting an application form.

Murder Mystery Weekend

Are you the kind of person who loves a good murder mystery? Do you always guess not only whodunit, but why? On February 20, 1987 the March of Dimes and the Boulder Dam Hotel will host a murder mystery entitled "Marriage with Malice."

In the hustle and bustle of our everyday lives we sometimes forget how much fun it is to pretend to be someone or someplace else. What better way to get away from it all. And for those of you not up to acting in an unusual or outrageous manner, there is always the mystery itself to focus on. Clue gathering, snooping and the questioning of perfect strangers are all acceptable behavior at a murder mystery.

In its mystery weekend form the game goes something like this. You, as a guest come dressed for a wedding reception for Linda "Lovelace" Lewis and Lawrence "Archibald" Stoudt. Rose "Pee Dee" Stoudt has gathered you here for this social event that promises to be more than you ever expected. During the course of the evening a murder is committed. Suspects will develop and the game is on. Throughout the evening clues will be gathered as guests partake in meals together and dance into the night. At breakfast the next morning a ballot will be filled out as to who you think the murderer is and why they did it.

Committee members and an array of cast and production crew include Undersheriff Eric Cooper and wife Linda, Investigator Gary Robey and wife Carol, Investigator & actor Harley Akers and wife Jackie, KORK's Mike McCuen, Fred Lewis and many more people are all working ever so hard to insure a good time for all. The March of Dimes is always searching for new and better ways to raise much needed funds to help in the fight against birth defects. Where else could you go to have a better time than the Boulder Dam Hotel, and what better way to help insure a brighter future for America than to help every baby have the chance to be born healthy.
